

## NYCSERV Payments | Payment Confirmation

Your transaction has been accepted. Please use the PRINT button below to print this confirmation page for future reference. To confirm your transaction, we will also send you two e-mails to the e-mail address listed below. Both will contain transaction confirmation information. The first confirmation will come from NYCSERV and the second from OPC Customer Service. Please print and save both e-mails for your records. Even though we send this e-mail immediately, we cannot guarantee immediate delivery as this is dependent upon your Internet Service Provider. If you do not receive our e-mail within 24 hours, please contact us at [www.nyc.gov/contactfinance](http://www.nyc.gov/contactfinance).

Your Credit Card statement will show two entries - one from "City of NY Charges" and one from "OPay/NYC Convenience Fee". These two entries will add up to the total amount paid.

It may take up to two (2) business days for your payment to be reflected against your account. However, the date and time you complete this transaction will be accepted by the City of New York as your date of payment. All transactions are subject to the collection of funds. Payments resulting in uncollected funds will be reversed and interest and penalties will continue to accrue where applicable. If you need further assistance, please contact us at [www.nyc.gov/contactfinance](http://www.nyc.gov/contactfinance).
